## In-House Hosting & Web Management Services

We are pleased to offer top notch in-house hosting packages to all of our web clients. All packages include ample server space for your website and web-based applications as well as comprehensive email solutions. Please note that these plans are billed out annually and only apply if your website is being hosted by PlanetCom. \*Standard SSL Certificate and Basic Website Management Plan come with all in-house hosting packages. This includes security monitoring and regular core file & plugin updates.

### Bronze Package - \$60/month

- **What's Included:** 2GB web space, up to 5 email accounts, basic website management (up to 1 hour per month), standard SSL Certificate

### Silver Package - \$80/month

- **What's Included:** 4GB web space, up to 10 email accounts, standard website management (up to 2 hours per month), standard SSL Certificate

### Gold Package - \$100/month

- **What's Included:** 20GB web space, up to 20 email accounts, advanced website management (up to 3 hours per month), standard SSL Certificate

### Enterprise Package - \$130/month

- **What's Included:** Unlimited web space, up to 40 email accounts, comprehensive website management (up to 4 hours per month), standard SSL Certificate

\*I have read & agree with the terms for the Hosting & Management Plan chosen above for which I will be billed annually until otherwise requested by myself.

## Web Management Services - 3<sup>rd</sup> Party Hosting

Websites are dynamic entities and the technology behind them is constantly changing and being updated. Therefore it is essential that your site be professionally managed to ensure functionality & security are maintained. We offer a variety of web management packages to suit your needs and keep your site in tip-top shape! Please note these plans only apply if your website is hosted by a provider other than PlanetCom. **\*One month notification is required to cancel this service.**

### Bronze Plan - \$70/month

- **What's Included:** Regular core file & plugin updates, minor content revisions, basic security monitoring (up to 1 hour per month)

### Silver Plan - \$100/month

- **What's Included:** Regular core file & plugin updates, content revisions & new content creation, basic security monitoring (up to 2 hours per month)

### Gold Plan - \$120/month

- **What's Included:** Regular core file & plugin updates, content revisions & new content creation, advanced security monitoring (up to 3 hours per month)

\*I have read the terms and agree to the Web Management Plan chosen above for which I will be billed monthly.

\*I will be maintaining the site myself or will be using another company and will not require a management package. I acknowledge that by signing I release PlanetCom of all liability in the management & maintenance of my site and that updates will only be performed when specifically requested by me and will be subject to an hourly fee.
